WHY FAMILIES CHOOSE US

# Not all cremation providers are the same.

Discount providers compete on price alone. Corporate chains follow cookie-cutter playbooks built around quotas and profits, not the families they serve. We do things differently — and have for four generations.

HONORING LIVES MEANINGFULLY

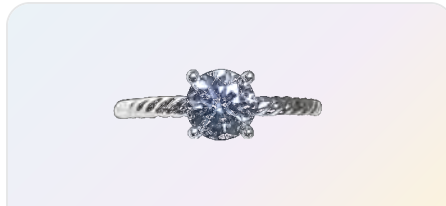

# Personalized options.

A meaningful goodbye looks different for every family. The options on this page are thoughtful additions — keepsakes, ceremonies, and tributes that can be added to any Signature or Simple Cremation package. They are offered separately from the package services, so each family can choose only what is meaningful.

### Live Memorial Music

Solo harpist, vocalist, or strings for visitations and services. Live music brings warmth and beauty to a service, honoring a loved one through the songs that meant the most.

### Memorial Diamonds & Jewelry

Have remains transformed into a diamond, ring, or pendant — wearable keepsakes that honor a loved one's memory.

### Memorial Stones

An alternative to traditional cremation — smooth, hand-finished stones of solidified cremated remains that families can hold, share, or place where it matters.

### Memorial Reefs

Cremated remains incorporated into a cast reef structure that becomes part of a living ocean ecosystem.

### Custom Stationery & Printing

Service folders, prayer cards, register books, thank-you notes, and remembrance keepsakes designed in tribute.

### In-House Flower Shop

Marie's Florals on-site — fresh casket sprays, urn arrangements, sympathy bouquets, and custom designs from our florist.

**A note on personalization:** These tributes are not part of the standard package pricing — each is selected and priced individually, so you only pay for what you choose. Your funeral director or pre-planning counselor will share current rates and walk you through every option with care, at your pace.
