HONORING LIVES MEANINGFULLY

Personalized options.

A meaningful goodbye looks different for every family. The options on this page are thoughtful additions — keepsakes, ceremonies, and tributes that can be added to any Signature or Simple Cremation package. They are offered separately from the package services, so each family can choose only what is meaningful.

Live Memorial Music

Solo harpist, vocalist, or strings for visitations and services. Live music brings warmth and beauty to a service, honoring a loved one through the songs that meant the most.

Memorial Diamonds & Jewelry

Have remains transformed into a diamond, ring, or pendant — wearable keepsakes that honor a loved one's memory.

Memorial Stones

An alternative to traditional cremation — smooth, hand-finished stones of solidified cremated remains that families can hold, share, or place where it matters.

Memorial Reefs

Cremated remains incorporated into a cast reef structure that becomes part of a living ocean ecosystem.

Custom Stationery & Printing

Service folders, prayer cards, register books, thank-you notes, and remembrance keepsakes designed in tribute.

In-House Flower Shop

Marie's Florals on-site — fresh casket sprays, urn arrangements, sympathy bouquets, and custom designs from our florist.

A note on personalization: These tributes are not part of the standard package pricing — each is selected and priced individually, so you only pay for what you choose. Your funeral director or pre-planning counselor will share current rates and walk you through every option with care, at your pace.
