I worked with Lee many years. He was a fine, fun coworker and great math teacher. He could tell a good story and always was interested in others. A man of many adventures and love of life! He will be missed. Love, Peg Escovar

It saddens me to hear of Lee's passing. I worked with Lee at the Miller Drive Campus for quite some time and have many great memories. He would frequently appear in the computer lab before class to share the latest video game he had purchased. He loved computer games!
