Ms Sonja Toft-Nielsen was a tremendous part of my young childhood. I always remembered her as a loving ,tenacious, dedicated mother to her family. She was a second mother to me and the neighborhood kids .She always was a guiding parent and a role model of committed values and strong beliefs. Beneath all of that solid, firm personality....there was a deep warmth of love, caring, dedication for her family,friends and those around her. Sonja is survived by a large family, who are an extension of her characteristics, love and values. Sonja will live forever through them . I will have many fond memories of precious time spent with her and will miss Sonja a great deal.....I'm thankful, I will be able to have many mirror images of her through the family members I know and continue my happy memories of a wonderful life lived.My condolences to the entire Toft-Nielson family. May God bless Sonja Toft-Nielsen and may peace find a path into the hearts and spirits of all those who knew and loved her.SAL (CHRIS) Froscono
