One of the greatest english professors i've had. So genuine and spoke with such passion of literature. I learned so much and I thank him. God bless his dogs also.

A wonderful colleague--smart, funny, and kind. Gone far too soon, and we are all diminished by his loss. My prayers go out for David and his family.

The passing of this wonderful man baffles me, as it seemed so sudden. I do not know what happened to him, but I do know he was a very kind and generous person and boss. He will be greatly missed.
