Yo tuve la suerte de conocer a Arturo. Un alma buena que reia mucho y por dentro llevaba su tristeza. Que Dios te tenga en su gloria.

He was my husbands lawyer and we never met him in person but he was always so vibrant, sweet and helpful on the phone! He sounded like he was in his 20's, so full of life. I pray for all his family and loved ones. God bless you all!

I met Art when working for FCCI. He was my defense attorney on several of my Miami cases. We hit it off from the start. So many fun memories. Such a generous, and kind man. So down to earth, and yet so intelligent and talented. We both shared a special fondness of Amsterdam where my family is from and where he said he'd love to have his second practice some day. You'll be missed my friend. I can't believe you're gone. You'll always be alive in my memories though.

Arturo was in law school while I was in undergrad, both at FSU. His long-time friend Ginny Hanley introduced us. He and I lived in neighboring apartment buildings and got together frequently to chum around. Art was soooo much fun! So witty and smart and quick to laugh! After he graduated and got his first job in Orlando, he invited me down from Tallahassee to go together to Epcot World Showcase. The first country when starting the huge circle from the right was Mexico. Well, we ate ourselves full and drank lots of margaritas. We stayed and stayed, drinking and laughing and we never left Mexico, which ended up being the ONLY country of the Showcase we visited! There was never a dull moment with Arturo! Many other fun memories from those youthful times. I will always remember dear Art very, very fondly. --Lesley Kelly
