Charlie, I'm lost without you. I miss not talking to you and being with you. You are my lifetime friend since I was 16 and you and my brother were about 11. I hope you are with my brother now. I never dreamed that I would lose you both in my lifetime. My life is empty without you guys. I'm 82 now. See you soon dear friend.

I was truly saddened to hear about Mr. Cavallaro's passing. He was always so pleasant when we spoke. I will never forget his very distinct voice and laughter. CLatham RN CM Humana At Home
