Hilda was a beautiful lady to the end. She was an incredible wife, mother of five children six grandkids, and a great granddaughter. She was a kind caring soul, friendly to all super proud of her family and a wonderful friend for those that knew her. She is missed and her family will always thank her , remember her for being the glue to the family that she and Robert had. We love you Hilda, miss you so much and thank you for all the life guidance and lessons we learned from you. May god be with you and may you rest in peace with the almighty.
