Rose Janas lived her life with tremendous love for her family and her Savior, hers was a life well-lived from her upbeat sense of humor to her deep abiding faith.....I have met few people in my life like Rose, whenever I was with her she always made me feel happy is the best way that I can describe it.....It was my pleasure to share a birthday with her, sharp as a tack and still asking about how others were to the end, She will be sorely missed by all who knew her.....Rest in Peace Rose xoxo

We are so sorry for your lost. One must always, during this difficult time remember all the good things that were enjoyed with our love ones. By remembering we keep that person alive in our hearts and mind. By remembering the soul of our love ones is at peace and happy because of our love. May god bless you and carry you during these difficult times. Manny Alvarez and Yeny Cobo.

That Jesus' blood be renewed in all of us in remembrance of our Mom, Cousin, Grandmother, etc. That we always remember the love you brought. That we can use that to fill us up to be reminded of you down the road, as we'll have times we will need it. I pray your memories surround us now and wish blessings to heaven.

Grandma Rose, you will be missed by all of your family. You were always such a sweet lady and always smiling and laughing. I have so many good memories of childhood with you and Grandpa Janas in Richland with my family all around. You were special to us all but I know if there is a heaven, you two are united there and hope you can see we are all well and send you our love. With love, Kim
