Captain Liller was my Team Commander during deployment in Bosnia 1999. He was by far, the absolute best Officer I ever served. He & I conducted several patrols together... Just us two. I was the Russian Translator/Liaison for his ODA. Leading by example. Just like Thomas Cronko & Hector Pagan. I became a better Soldier/Man because of my Service w/Otto Liller. He gave me my 'nom de guerre'. El Jefe. Anyone may contact me. 1-984-777-0393. Jef Simmers.

I had the privilege to be BG(R) Liller's legal advisor when he commanded 1SFG(A). His integrity, intelligence, courage, and humor made him an exceptional leader—a leader that people wanted to follow. He is gone far too soon. I'm praying for peace and comfort for his family and friends. God bless.
