My memories of my Aunt Yvonne are so vast and span so many years. We had so many holidays, birthdays and just ordinary days that we all spent together as a family whether we were at Nanny and Poppy's house, in the Keys or at another family members house. I will always remember her for her deep love and respect for animals. I can still see her smile and hear her laughter and see her "bare feet". I know that family was the most important thing to her and that will be her legacy.##imported-begin##Vicki Vaughan##imported-end##
