Noma, Joy and families. I am saddened to hear of the passing of Bessie. The blessings she provided to all with her presence, enriched the lives of all she touched. She and all who were her life became a part of the Hosack Family, as we became a part of what was and is today, Bessie's Family. Please be reminded of the beauty of her life and the largeness of her heart in your everyday thoughts.##imported-begin##Jimmy Hosack##imported-end##

Dearest Aunt Bessie, You were a wonderful cousin to my mother Peggy. You were always on the go somewhere doing something for someone. I loved to go to your house playing in the backyard among your flowers as a child. You always had enough time to give a recipe (24 hrs salad) or instruction of how to do something. Always a kind word. I admired your strength and faith. I know you will be waiting in heaven with my mom and dad. Save me a seat I will be there. Love Always

Aunt Pat, as we called her, was more of a Grandmother to us, since we never knew our own, her sister. Aunt Pat was the sweetest and most loving of women. She lived a full and wonderful life. May we all be so lucky. I will miss her kindness so much.##imported-begin##Nancy McBeth##imported-end##

Noma, Joy and Family Ed and I are so sorry to hear of Bessie's passing. How wonderful to have had her for 97 years. She meant so much to the Hosack family and we were so touched that she came to our reunion in 2003. That just shows the wonderful person that she was. Our thoughts and prayers are with you all. All our love, Eddie and Anita
