Your Mom was such a fun-loving person. I can't remember a time she seemed unhappy or angry. I met her during the early 80's while we were both bowling. Her form and technique were always so classic. I admired her courage the last couple of years - coming to Bird Bowl with that Tweety Ball. She could barely average 100 but she stayed true to her passion and continued to bowl. Many of us bowlers will miss her. I am grateful I knew her and could call her "friend". Many have suffered a great loss with her passing. My sympathy goes out to her family and friends.##imported-begin##Peggy Guest##imported-end##

Dear Goitz Family, I am saddened to hear of your great loss. My prayers have been with you all. Lisa was an amazing person. She treated everyone with respect and compassion. I am grateful that she shared her life with myself and many, many others. I am so glad our parents met and had so much joy together. Now they bowl together again. I may not have been able to spend a lot of time with your Mother, since we lived on opposite coasts, but the time we did spend together always meant a lot to me. I'll miss her laugh the most. Know that you are all in my thought and prayers, and I will be there in mind and spirit, if not in body. Love to all, Gina##imported-begin##Gina Morgan##imported-end##

My most sincere love goes out to the Goitz family for your loss. Lisa was one of the finest, most wonderful lady I have ever known. Always quick with a smile and you always felt very special in her presence. She was a warm, caring and loving individual. My heart is heavy that we lost someone so beautiful yet I know she is in a much more beautiful place. I LOVE YOU LISA!! Thank you for taking care of my family when it was needed. :)##imported-begin##Steve Mugar##imported-end##

Fran, I am so sorry for your loss. Your mom looks like a gorgeous and vivacious woman...not unlike her daughter. Even though I never met her, I feel somewhat touched by her life thru food! Thank you for sharing the delicious cookie recipes with me this last Christmas, and for carrying on the tradition of gracious hostess that your mom was. My thoughts and prayers are with you. Hugs,

Vicki, Michael, and Francine, I am deeply sorry for the loss of your mom and my "cousin Lisa." She was was a wonderful woman and should awlays be remembered for the good times. As for me, I will always remember the times we spent on the dance floor! May her body rest in peace and her spirit continue to dance with the Lord. It is in Him that we should take refuge, crying in birth and smiling at death, for in Him her spirit will live on forever!"Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal. Now we know that if the earthly tent we live in is destroyed, we have a building from God, an eternal house in heaven, not built by human hands. Meanwhile we groan, longing to be clothed with our heavenly dwelling, because when we are clothed, we will not be found naked. For while we are in this tent, we groan and are burdened, because we do not wish to be unclothed but to be clothed with our heavenly dwelling, so that what is mortal may be swallowed up by life. Now it is God who has made us for this very purpose and has given us the Spirit as a deposit, guaranteeing what is to come. Therefore we are always confident and know that as long as we are at home in the body we are away from the Lord. We live by faith, not by sight. We are confident, I say, and would prefer to be away from the body and at home with the Lord." 2 Corinthians 4:16-5:8 Cousin Lisa, Thank you for being such a great support to my mom and family. I can only hope we can repay your love kindness by being a shoulder for your loved ones in this difficult time. May your children continue to draw closer to one another in the Lord, knowing that one day we will all live again in His eternal light. Until then, let us all be living testimonies walking in His Love, Joy, Forgiveness, and Peace! I love you and you will stay close to my heart###imported-begin###Georgette Noriega###imported-end###

Dear Francine & Mike,We are so very sorry to hear about your Mom's passing. Although it seems like forever since I saw her last, she was always fun and full of life. I remember her fondly from Girl Scouts. I specifically remember one camping trip (can't think of the camp name now but I believe the property was sold) where they had a rope swing at a small river. Your Mom was out there swinging across the water with the rest of the girls! She always had a smile for everyone. We will never forget her.###imported-begin###Beverly Higgins Shanahan###imported-end##
