I remember Mrs Shannon as she was my 5th grade teacher at Coral Park Elementary in 1965. My sister also had her as a teacher. She was one of those people who made a lasting impression upon my life. I was in the school safety patrol and her and her husband once took us all to see the Miami Dolphins play at the Orange Bowl. With all her years in education there must be thousands of kids that she has also touched in a positive way.##imported-begin##Tim Walden##imported-end##
