To my dad that I call POP in your later years.....You taught me that the Lord is always there for you. You were always looking to and talking about heaven and angels and Father Pio. The Sundays that you came over and we watched football games and had a party with family and friends, oh how much you loved that and I will so miss that. I loved making up Italian songs with you and Jimmy. I do remember hating one thing, getting haircuts from you in the back yard to save money with dull scissors. However, you always thought of saving money in order to put your family first. You always welcomed friends and family into your home with open arms and heart. Give mom a hug and a kiss for me. I can't wait to see you both again. I love you very much, your son, Peter##imported-begin##Pete##imported-end##

Dear Daddy, I thank God you were my father. You inspired me as a child and then when I grew up, you inspired my children. Your grandchildren and great grandchildren respected and adored you unconditionally. You were a great man in my eyes. The best Daddy ever. As a father-in-law you welcomed me into your family from the day I met your daughter. Give Mommy a hug and kiss for us. I love and miss you both so much. You will always be in my heart! Pop, You are truly a great man! You will never realize how much I admired what you stood for and believed in. You were very strong for our family and taught us that as long as you believe in God he will take care of you. I really feel lucky to have had you in my life for as long as I did. I enjoyed when you and Uncle Jim would come visit Jennifer, the girls and me in Orlando for our Disney trips. Seeing your face light up as you saw your great granddaughters have fun at the park. I am going to miss hearing your laughs and learning from you. I hope I can make you proud. You will never be forgotten and I will still write and talk to you even though you are in a place that you have dreamed about all your life. Heaven is a much happier place with you there. Love Always your grandson, (Little Roy)PS. Keep in touch!!!##imported-begin##Roy Keister Jr.##imported-end##

Dear, dear Pop, though I only knew you for a blink of your rich life, I was blessed. You were a delightful person to be around (I'll never forget you stealing that kiss from Terry!), but more than anything you loved!....your family, your friends, you loved life, and your love made a difference in lives. To Pete, Jimmy, and the entire Gitto family, honor his legacy and love each other like he loved you all. God be with you, and know that His garden is fairer today because Pop is there. My heart is with you. Love, Carla##imported-begin##Carla Hill##imported-end##

Dear Mr Pete, With a tear in my eye, but also with a grateful heart for having you in my life through all of my growing up years, I now try to count all of the wonderful memories that you, Mary, Jim, Nancy and Pete are a part. I can't help but smile as I remember all the fun, laughter, music and dancing we did and had at your backyard parties as kids. They are my fondest memories. You were always sweet, kind and funny. Thank you for taking us to church when we were young and putting up with our silly giggles during mass. (always understanding) Also, thank you for coming to my school to pick me up when I got the measles and needed a ride home (and that was high school). Those are the moments that make us family and will be treasured forever more. You will be remembered with love and truly missed by all. God Bless you always...Love Diane, Barry and family....and a special prayer from my Mom (Betty Cochrane)##imported-begin##Diane Cochrane Green 9/7/09##imported-end##

Mr. Gitto, I'll always remember when you used to say to me from the time me and Peter wore diapers, "Gary from Indiana plays the Piano". All the good times early in my life, you and your family were always there for us which I will never forget. Do me a favor and give my dad a hug for me. You'll always be missed and loved. I have been blessed beyond measure to have spent these past four years with you. I am so grateful for the Lord's kindness in allowing me to have so much fun with you. You made me giggle with all your stories, your lovely laugh, your Italian songs, dancing with you, shopping, the way you flexed your muscles, the way you loved your dessert, but more than all those things Pop, you have made such an impact on my life because of your consistent love of the Lord, love of your wife, love of your children, grandchildren and great-grandchildren. You are the cutest little man I have ever known. The heritage you have given your family is more precious than gold. A heritage of joy for life, love of God and family. To know you is to adore you Pop. Thank you for blessing me. I love you. Looking forward to seeing you again when we can worship Jesus together.##imported-begin##Coco Gregg-Gitto##imported-end##

Pop, I love you more than words can describe, and I miss you so much already! You put a smile on my face each moment that I think about you, and I'm so grateful that I had 18 years of my life to get to know such a wonderful grandfather. I'll never forget all those stories (: Rest In Peace and don't forget: keep an eye out for pennies in the sky, try not to run around too fast in heaven, and eat all the cashews you can get your hands on (: I love you forever and always!
