Delma,Lynda and I are so sorry for your loss. When we first moved to Florida so I could enter the police academy, Rusty was the first classmate I met. We met taking our physical exam at Jackson Memorial Hospital and immediately became friends. I'll always remember Rusty most for the friendship we shared, the great times we had together (like the first time you and Rusty took us lobstering and camping in the Keys) and for his laugh. Our thoughts and prayers are with you and your family.##imported-begin##Tom & Lynda Williams##imported-end##

Rusty was my step-brother. I was raised by his Father (Robert Russel). He was a good man and so was his Son. I have good memories of him from our childhood. Many of them were in the Keys.##imported-begin##Janis ##imported-end##
