I do not know what to say! I am honoured to have shared part of my life with you guys. We shared some really special times, fun in Miami and holidays in North Carolina! Pete, you are such a special soul, you were so good to Jamie, standing in as a father figure when he didn't have one. You are one of the kindest, happiest and most genuine guys I have ever met and you will live on forever in the hearts of all of those you have touched with your lovely smile and hearty laugh. Sue, you know how I feel about you and my love, thoughts and prayers are with you, Nik and Zak. Just remember he is with God now and loving you just as much as ever!##imported-begin##Julia ##imported-end##

We are still trying to comprehend what has happened. He/You both will always be in our hearts and remembered with the biggest smile on our face, each and every time we think of him. Trying to comprehend what you are going through is hard enough, but if at any time you need us, we will be there for you. Be strong, cause that's what he would have wanted. Pete, it was a pleasure working with you. You always strived to do your best and beyond. You always had on a great smile and happy demeanor, even in the most stressful of times, and we all know there were plenty of them. It was especially good to get to know you outside of work, and share some of the same hobbies. Electric helicopters, Wii, morning coffee talks, etc.. You never hesitated to help out with our pool leaks and other problems in our personal home, and would never accept a dime from us. It was a great honor and pleasure knowing you, and you will be deeply missed. Mike and Misty Miller###imported-begin###Mike and Misty Miller###imported-end###

Dear Pete, We've come to honor and celebrate you; to share sweet recollections and express our gratitude. You were a great example of the best way one can live. Your generous, loving spirit was a daily gift you chose to give and we knew that we were privileged to know someone so dear. You shared our lives, both the good and bad; Our true friend throughout the years. You took each day and challenge exactly as it came... Your spirit remained steadfast, life couldn't make you change. Quite often we would marvel at the determination found in you. How much we'll miss your humor, your courage and your fearless attitude! We know that you'll continue to be the incredible soul you are and though we cannot see you, we trust you'll never be far... Because our hearts will never forget such a special soul...###imported-begin###Your Shear Construction Family###imported-end###
