To the Trapero family: I offer you my deepest sympathies and condolences. I cannot even begin to imagine your loss, but if it is of ANY consolation, your son was a great kid and loved by everyone who knew him. At his viewing tonight, the hundreds and hundreds of us who were there in attendance, we were there to support you all and because everyone in the building loved Cheeks.To Cheeks: I knew you since you were 4 years old and you were always one of my cousin David's very best friends. He misses you very much, as do we all. I didn't see you often but every time I did, it was like no time had passed. You were always funny and a character. You will definitely be missed.##imported-begin##Jennifer E. Hernandez (FCS c/o 98)##imported-end##

My condolences to the family Trapero's. For the 8 months that I knew Danny Trapero, I must say, he was a great friend and great ball player. He loved the game of baseball/softball. He had a heart of gold and always called me to make the team lineup and talk about who and how to win. He was a winner and will always be in my heart. It is tragic what has happened, but I know God has a place for him. Danny, if you can see this. We will always play in your name and finish the softball season with honor and dedication in your name.
