Gretchen, Calvert, and family, I was able to watch Aunt Jolene's video, and it was just beautiful! It brought tears - and smiles, to me. (and memories of our childhood--wish we didn't live so far away from each other now) The video was so neat how it started -with the beautiful wedding picture of your Mom, and ending with a picture of her waving. It was a great tribute to her, showing her like I will always remember her--always smiling, laughing, talking, joking, (that picture of her laughing with that green jug is perfect!) and loving her family! Her real happiness and joy in life was her children and grandchildren. How she loved you guys and always talked about you -and with such pride! And now she is in Heaven with your Dad/Grandpa, and they are smiling down on all of you, and watching over all of you, and loving you more than ever! You are all in my thoughts and prayers. May God Bless and Comfort all of you. Love, Marilyn##imported-begin##Marilyn Snyder##imported-end##

Hi Gretchen and Family, I have been thinking a lot of all of you too, especially last night and today. My sympathy and prayers are with you all. I will look at the video now, hopefully it will download okay, and also I will look for some pictures of your Mom and Dad. I know I have some, especially of them from when they celebrated their 50th Wedding Anniversary and they were up here in Iowa (besides the big party they had down there for it!) Also I have some old ones too if you would like them. Anyway, just wanted to let you know that all of you are in all of our thoughts, and that we are all so sorry. Love you, Marilyn
