We only knew you in your golden years having first met you at Bubba and Gayle's around 15 years ago when Blair introduced us to your family prior to marrying your lovely granddaughter Erika at the pink palace. You did raise a wonderful family and we could see how you were rightfully proud of them. We share your pride and love for your family and wish them all the best. Although our meetings were few you made a lasting impression on us. We will always remember your cheerful smile and good natured disposition - you are probably looking down and still smiling at us now. In spite of our short meetings you have shown us an example and lesson in life that we look up to and hope that we can follow so that one day we can all meet again. Sweet dreams and happy trails. May God bless you and may you rest in blissful heavenly peace.Love to you and your family,Billy & Hazel Hanuschak##imported-begin##Billy & Hazel Hanuschak##imported-end##

Grandma, You are so special to all of us. I will treasure the times we had together and the letters we wrote to each other. You always had a way of making me and everyone around you smile with your warmth and loving personality.You are a true Angel. I thank god you had the chance to know four generations of our family and we are all so thankful for having you. You are the link that kept us all together and it will never be broken. I will miss you dearly.Cynthia##imported-begin##Cynthia Atkins##imported-end##

Grandma,I miss you so much! I am so sad I will never again have the chance to see you or hear your voice for the rest of my days. However, I know we will meet again in Heaven. You were always the sweetest Grandma anyone could have and, to me, you were an Angel. I will hold dear all the times we did get to share together and will forever keep you close to my heart.I love you now and forever,Julie##imported-begin##Julie Daley##imported-end##

From the first time I met you I loved you. What a wonderful, loving and fun lady you were. I love you and will never forget you. You will always be a part of my life. I will miss kissing and hugging you. Thank you for approving of me and my marriage to your granddaughter. I enjoyed every moment we were together and will surely miss you dearly. Just so you know, I kissed your picture when I heard of your passing. God be with you and keep you until we meet again. Oh what a sad time it is right now and even though you would not want me to be so, it cannot be helped because I am so proud to have been a part of your life and you have touched me so.##imported-begin##Chris Atkins##imported-end##
