I met Joe in '96 and he very quickly became more than just a boss. He listened to ALL my trials and tribulations and showed me pictures of Bruce and all of Dot's creations. When Eden was born, there were no more pictures of dogs and dolls, EVERYTHING was about Eden. I owe A LOT to Joe and will sorely miss our Thursday lunches. I know that the trumpets were blaring and Gold spread his Golden Gates wide for his arrival.##imported-begin##Mirta L. Roger##imported-end##
