Mercy I will always love you as my favorite sister-in-law. You taught my the facts of life because my mother didn't. We had special times together when we were younger. I thought about you often, and prayed for you when I was told you were sick. Your children are so beautiful and I know they will miss you as much as I will. You and Sluggie always let me stay at your house. Love, Lizzie##imported-begin##Liz Torres Joiner##imported-end##

Mother = I miss you. Thank you for all the trips to Dr. Gibby's, locking me in my room when I was bad then showing up at the front door a few minutes later when I had snuck out my window. I will always remember that warm hand print on my left cheek. Thank for always being at the ball field when I played little league ball. You always knew it was me on the phone when I called you Mother...I miss those daily phone calls. Now you don't have to say "wait till your father gets home!" Tell Dad and Lizzy hello. Mother, I miss you the mostest!Peter##imported-begin##Pete, Kathy and William Torres##imported-end##
