Divita, I love you so much! You were always there for me, even when I wasn't for myself. You made me laugh, and ALWAYS pushed me to do the right thing, to forge on. You were one tough cookie and straight shooter.. And you never, ever let me give up! I'm so glad I called you Mother's Day..and called back because I hadn't heard from you. What a gift to get a hold of you a few days later..To tell you how much I love you. You, my friend, sister, other Mother, were here, you mattered, and I'm certain you are at peace at the right hand of God. Rest in Peace, Divita. We will meet again!###imported-begin##Cindy Robles Enderle###imported-end##
