# Adam Daniel Hurd

FEB 17, 1982 - JUN 24, 2010

**A**dam Daniel Hurd passed away peacefully on June 24, 2010 in Miami, Florida after a brief battle with Hodgkin's lymphoma. He leaves behind his son, William, of Columbia, Maryland; his parents, Michael and Sandra Hurd of Elkridge, Maryland, and a brother, Ryan, of Arbutus, Maryland. He was engaged to Andrea Lauzon of Miami, Florida, and was very close to her parents, Tim and Nina. He is also survived by grandparents, aunts, uncles, and numerous cousins. Adam was born on February 17, 1982, at Walter Reed Army Medical Center in Washington, DC. He spent a majority of his childhood overseas, returning to Maryland in 1994. He was a 1999 graduate of Howard High School in Ellicott City, Maryland. He also attended several colleges in Maryland and Florida, most recently Florida International University, and was within one semester of completing his Bachelors in Business Administration with a concentration in Management Information Systems. In addition to being a full-time student, he was also employed full-time by the Kubicki Draper law firm in Miami as a billing coordinator. During his high school years and following graduation, Adam was a member of Baltimore's Marching Ravens as a percussionist. He was a talented electronic musician and budding artist with a keen interest in esthetic photography, especially while traveling. He was looking forward to his life with Andrea and increasing his involvement in William's life. Adam also intended to return to the Marching Ravens, had his health permitted. In lieu of flowers or charitable donations, Adam's family and friends are asked to hold their donations until an appropriate account is set up for William's college education and transition into adulthood. A brief memorial service will be held at the VanOrsdel Chapel on Kendall

I am very saddened to hear of the loss of Adam. Adam was a dear friend to our family and will be sorely missed. On his most recent visit to Maryland he and Andrea took Jason to an Orioles/Red Sox game. Just about a week later we were out to dinner in the Baltimore area and had to pass by Camden Yards on the way home. When I pointed out the stadium to Jason he replied with such determination that "I hate the Orioles. I only like the Red Sox!". While Jason may not of had much of an opinion on the orioles or even baseball in general before the night he went to the game with Adam and Andrea he certainly had one afterwards. Adam's positive influence will be felt for years and years to come.##imported-begin##John Bremerman##imported-end##

Mike and Sandy -We know just how you feel to lose a child! It was 14 yrs. ago June 26 that God chose to take our Holly, (your cousin, Mike,) - born just after you on March 29, 1959! She died of lung cancer. She will always be in our hearts and never, ever be forgotten! Life has to go on - for the sake of their children - we have taken on that task as I'm sure you will also see that your young William will be cared for as Holly's son and daughter have been through our love offer and her kids. Though we have never met your Adam, please know that we do care and pray that Adam's memory will remain with all who loved him. Uncle Jerry and Aunt Carlene Freier
