Joseph you were a vet who fought in WWII and the kids all think that was cool. We adults want to thank you for your sacrifice defending our freedom. You were a loving husband, a devoted father, an eminent judge, and an affectionate grandfather as my kids will attest. In fact, you were so caring I had to force my kids to come home crying and kicking. They wanted to stay with grandpa rather than come home with Mom and Dad. Joseph you were an advisor to many, and a friend to all. You were an inspiration to me and I will always cherish your memory. I will miss your warm smile and your pleasant ways. You will live forever in my heart.##imported-begin##Richard T. Dillon##imported-end##
