To the Pare Family. I will never forget the times Bobby and I would go to the dog races and enjoy the day sharing the old times since my childhood and the latest jokes he brought. We always have been happy that such a lifelong friend of my Dads as Bobby and my Mother were able to continue a friendship and share many years traveling and enjoying life after each lost their loved ones. I know that Bobby will be missed by all.###imported-begin##Ken and Diane Martin###imported-end##

To the Pare Family, Karen CarlinKaren I am so very sorry to hear of your loss. Although yours is much greater, it is a loss for me as well. You know how much I enjoyed seeing your father, and I always looked forward to his visits at Christmas time. We had some really great talks with he and Anne. I am very sad as he was a kind and wonderful person and I will miss him dearly.###imported-begin##Jack and Wanda Guy###imported-end##

Oh Dear Uncle Bobby - how much I adored you. Nothing would make me more happy than when I would visit Mom (I live in California) and she would say "can we call Bobby together". I would call him and tell him a funny joke, and then he would beat me with a better one. Recently, my Mom asked me to put the mail out front. I noticed a letter addressed to "My Hero"...that was it. She adored her brother. She would ask me to dial his number because she wanted to talk to him, she was so worried about his health. We would call him and that would make her day. My Mom just lost her two most important men in her life...my Dad on 9/10/10 and Uncle Bobby. He was the most wonderful Uncle.##imported-begin##Arlene Barreto Beckwith##imported-end##

To the family of Bob Pare, especially Karen and Julie who I came to know personally or by phone and Anne - his dear companion: I want to express my sympathy in the loss of your dear father/friend. He and I spent many hours talking via the South Florida HD Helpline as he sought help in caring for his wife during her final years. He was a good man and I know he will be missed in your lives. Dear uncle Bobby, I'll never forget accompanying you to the west coast on your delivery route and saying hi to all the alligators on the way, I'll never forget those trips, especially when we got back and you would let me pick out any box of candy for helping you, thanks so much, and the easter egg hunts at your house on Maule lake were the best. Love you and miss you very much##imported-begin##Roy Barreto##imported-end##

My dear uncle and godfather brought our entire family so many laughs. His generous spirit and never ending jokes kept us all "happy". As a child, Easter was the best on Maule Lake with Uncle Bobby cooking on the grill. I remember so many laughs with our dear "candy man". I know he is in heaven with my dad right now/ Bobby you will be missed. WE LOVE YOU and thank you for adding so much to our lives.##imported-begin##Nancy Hogan##imported-end##
