Dearest Margaret, Just knowing you are no longer with us feels sad. Words fail at properly expressing ones gratitude. However, I must attempt to say once more "Thank You" for years, and years, of loving kindness you always gave me. What a beautiful, sweet person you always were to everyone. Love always, Linda Hansen XoXoXo###imported-begin##Linda (Bair) Hansen###imported-end##

Dear: Michael & Family I am very sorry for your loss. Grandma Margaret was a great lady. She was always full of smiles and laughter. She was loved by so many people. May her smile forever live on in the smiles of our children. May her love always be shared among all who knew and loved her. May her grace never be forgotten but always cherished. When her wisdom is needed may we find comfort that she is all around us. All we need to do is look to the sky and know that an Angel named Margaret is smiling down upon us. Michael, Your Mom was truly an Angel here on earth. She always had a sweet laugh and a smile on her face. There were plenty of hugs from her whenever we were with her. She had the cutest sense of humor and could tell a good story! It was always great being around her because of her positive attitude. We love and miss our Aunt Maggie!###imported-begin##Holly, Zack & Colt Faller: Aaron & Miriam Parker###imported-end##

Michael, Berta, and Christopher, so sorry for your loss. I have such great memories of Aunt Margaret. Every time I hear a harmonica I remember her playing along our Christmas carols, and how when she travelled she would pray for the cars in front, the cars in back and the cars on either side. Love you guys.###imported-begin##Diana (Parker) DuBois###imported-end##

Margaret some of my earliest memories have you smiling in them. Yatter's porch with a cup of coffee, lizards on the screen, cardinals, blue jays, mocking birds, and those afternoon rain showers. Over the years same smile. I loved how you said "Yaddah" and then would go into a story. Love you. Kim###imported-begin##Kimbal Parker###imported-end##
