What a beautiful woman iris was, I will always remember her. She was a kind soul with a warm smile. She akways had a way to look at the bright side of any situation I always felt like I was part of the family whenever I was in her home. She treated me as she would any of her daughter's. I'm so glad that I was able to see her a couple of months ago!!!! She will be greatly missed!!!! Iris you are in a better place now and may God bless you!!!!Very truly yours,Rosa Herrera##imported-begin##Rosa Herrera ##imported-end##

Thank you Ama for everything you've done for me in life. -You were like a mother to me. You would always tell me whats good and whats not good to do in life. You would always cook for me; always keeping me healthy. You helped me through out every situation I was stuck with in life. It's been an amazing 13 years of my life knowing I was blessed having such an amazing grandma by my side just like you. No matter what, you will never be replaced. I love you so much, and I hope to see you soon♥.##imported-begin##Alejandra Cedeno.##imported-end##
