I drove Letty to and from the Miami airport on the way to and back from her wedding. I had a car that was falling in pieces and leaked all over in the rain. Unfortunately, the water in the trunk of my car damaged her wedding dress. She was understandably upset. I still feel bad about that. Strangely, after all these years, I still drive cars that are falling in pieces and leaking in the rain. Those were memorable days and I am pleased I was able to be part of her life in such significant and even innocent times.-Robert Rohr###imported-begin##Robert###imported-end##

Lettie, Lettie! You were gone so quickly. We'll forever remember all the fun travels we had together. Your creativity, your style, your "Lettie logic." We'll miss you. Love, Ellen & Chris###imported-begin##Ellen Blackstone & Chris Altwegg###imported-end##
