Aileen R. Salokar

NOV 10, 1926 - JUN 20, 2011

Salokar,

Aileen H. (nee Radomski), 84, passed away peacefully at home on June 20, 2011. Born and raised in Los Angeles, Aileen met her true love in May 1951 at a USO. Claude Salokar of Miami (owner of Ludway Bar) was nearing the end of his military tour in LA when he asked Aileen to dance. Engaged in June, she married the “tall, dark and handsome man of her dreams” in August and moved to Miami. Within a year, Claude built their dream house in Schenley Park where they lived the rest of their lives and attended Little Flower Church. A full-time mother to four adopted children, Aileen later worked as a legal secretary and volunteered at Fairchild Tropical Garden and South Miami Hospital. Her passion was her own garden of native plants, roses and palms. After Claude’s death, Aileen met and married Michael “Mickey” Costa of West Miami. Aileen is survived by her children, Rebecca “Becky” (Judy Rubenstein), Christine and Frank (Rosemary) and grandchildren, Jonathan and Kelly; predeceased by Claude and Mickey, and son, Thomas. Visitation 6 – 8 pm Thursday, June 23, 2011 at VAN ORSDEL CORAL GABLES, and Mass 1 pm Friday June 24, Little Flower Church in Coral Gables. Burial Our Lady of Mercy. VAN ORSDEL CORAL GABLES

Aunt Aileen, Such wonderful memories I have, as a child, spending time with you and your family, learning from you, right along with your own children. You entertained all of us and always treated me as one of your own. Many years ago, you told me about a job opening at a firm you were employed with. It turned out to be an amazing opportunity and I am still there today. Soon after that, I met my husband at the Ludway, where I had a blast working with Uncle Claude, Chris and Tom on weekends. Aunt Aileen, you've had a huge impact on my life and I'll never forget you. May you find peace, comfort and a beautiful garden in heaven above. We'll miss you deeply. My deepest sympathy to Becky, Chris and Frank on the loss of your beautiful mother. I have so many fond memories of Aunt Aileen. I remember spending many Christmas Day nights at your house when she hosted her fun party for all the relatives and friends with plenty of her delicious homemade cookies. I remember how she spent a long time with Paul and me when we were newlyweds showing us all her plants in her garden so we would know what to plant in our own yard. I remember when my mom was sick and Aunt Aileen would just call to say hello and see how she was doing. I remember my last visit with her when Linda, Kathleen and I went over to her house with the kids to have lunch and see her garden that she was so proud of. I know how hard it is to lose a dear mother but take comfort in knowing that she is in heaven enjoying the most beautiful garden of all. Aunt Aileen, you were more than just an aunt to me, but a person I have always looked up to for as long as I can remember. You were always there for Frank and I making us lunch, dinner, making us bowls of ice cream, taking us to the movies on hot days and to Woolworth to buy kites in the 64 Chevy Impala station wagon. Aunt Aileen, you could handle that "three on a tree" stick shift like a NASCAR race driver. I always admired how much energy you had, hosting wonderful family parties, clogging, line dancing, swimming, water aerobics, and working so hard to build a beautiful miniature Fairchild Tropical Garden oasis in your own yard. You were so active in the community, Church of the Little Flower, Fairchild Tropical Gardens, Biltmore museum of arts and South Miami Hospital. I was so blessed to have such a wonderful fun-loving aunt in my life for so many years. You have no idea how much you will be missed by so many people. You have left a positive impact on all of our lives and you will live within us all forever. Love, your nephew Michael##imported-begin##Michael Salokar##imported-end##

Our mother, truly a remarkable woman! Wanting to adopt 6 children, but stopped at four. Dad must have been relieved. However, mom always stood by her man! A person who always thought of others & gave of herself generously. A true believer in the church - ethics & values. Always supporting family relatives & friends. In addition, she gave to numerous charities, whether volunteering or writing a check. Quite a traveler, but happiest at home in her gardens. Very proud of her children, teaching all of us to be independent. A simple person really, but enjoyed the nice things life offered. Being a member of the Biltmore Hotel pool & spa, where we all had some great times. One of her not so good days, when she was no longer able to drive her 1983 Ford Crown Victoria. Mom, you are a beautiful person & will be truly missed. Say hello to Dad & Tommy. Plant some trees in heaven. I will think of you often. Love, your son Frank###imported-begin###Frank Salokar###imported-end##
