Susy--your lifetime partner has departed and am personally very touched by this sad news. It is inconceivable to now see you and not picture you with him at your side. God has a plan fir each one of us and am sure that he will touch you and his children's life in goodness from hereon. He will always see for you and guide your path. Remember although physically not here with you fir sure you will never be alone, your enduring years are more than enough proof of your unity forever! RIP JC God Bless your family.##imported-begin##Betsy Molero (de la Torre)##imported-end##

JC and Family - Your loss has deeply touched me. I was shocked and saddened by this news. I worked with JC for a brief period of time at Northern Capital. He was a wonderful boss with a big heart and just extremely respected by everyone. Sometimes great people come into our lives for a brief period, but they leave a lasting great impression and that was JC. His memory will be cherished by many of us who worked with him. You are all in my prayers.##imported-begin##Rachel Penabella##imported-end##
