This is a copy of what I spoke at the Funeral Mass. It's from an Anonymous Author. You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she will come back, or you can open your eyes and see all that she has left. Your heart can be empty because you can't see her, or it can be full of the love that you shared. You can remember her and only that she is gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back, Or you can do what Celia would want: Smile, open your heart. love, and go on.##imported-begin##Tony Senzatimore##imported-end##
