I will always be thankful to Jodi's Mom for telling my mom about Lourdes Academy when we first moved to Miami. Fond memories of working at JCPenney's at Dadeland, and getting Jodi to dance last year in May for a gathering in tribute of another classmate. Heaven has certainly acquired a beautiful, loving and free spirit!

I am so sorry to hear of Jodi's untimely passing. My thoughts and prayers are w/ all her loved ones I still giggle when I remember the day you were learning to scrub and we were missing a sponge. Instead of remaining sterile like a good scrub I turn around to see you going thru the kick bucket...like any good circulator. We laughed over that for ages. Jodi and I discovered that we had a close connection tho we didn't know it then. I was a teen working at the Villa Maria where her Grandmother was a resident. Jodi and her family were frequent visitors. Small world. Jodi, your love of life will surely be missed.

Working in surgery with Jodi at South Miami Hospital was unforgettable. She always had a laugh or giggle and so many good stories. I will never forget her. God bless you Jodi.
