# DAN PILKINGTON

APR 28, 1933 - APR 5, 2016

**D**an loved to have his family all together having a good time playing cards and dancing. He loved to tell jokes and tease us. He loved his family and his faith. Sundays was his day to cook breakfast and boy was it good! Hunting and fishing was his next love. Hunting was the one thing he looked forward to twice a year up in South Carolina with his only son, Danny.

He provided for his family by hunting and fishing. His work at BellSouth allowed him to bring fresh vegetables to all of us.

We believe that Dad missed his calling as a meteorologist. He watched the weather and knew when the next hurricane would hit.

Mom was the love of his life. He adored her from the first time he laid eyes on her 65 years ago. He would watch her play basketball and would cheer her on religiously. He took care of all of us. He was the rock in our family. We will truly miss him. Until we meet again...

Dan was my first boss at the phone factory, after working for a short while we figured out that he thought he new me from somewhere else, turned out it was St. Brendan was the place my twin brother was an user and I sang in the choir at the 8:00 mass . Dan has always remained one of my favorite bosses. Even my wife remembers him she was a teller at SunTrust. He used to bring dog biscuits to her to give out to customers that had dogs with them.

To the greatest father that ever walked on the face of God's great earth. You taught our family all we know especially strength and we are now sadly practicing it. I know you will be so very proud of us. Our Father, rock, pillow and so on. Do not ever worry about your true love as we all will cradle her and take very good care of her just like you did.. I will miss you but will carry you in my heart wherever I go. You taught us so much that all of us had a good teacher. The many sacrifices Mother and made for us kids were greatly appreciated. I love you my prize winning father. Also there is bologna and white bread in heaven so eat up. All my wonderful life I owe to you. I LOVE YOU WITH ALL MY HEART. #3
