Veronica was my sister best Friend in high school. I remember going with them to drill team practice and shopping and just hanging out together. they got an apartment together after high and I also hung out with them. Veronica was like a sister she was always a happy go lucky girl. I saw her last at my sister 50th birthday party six years ago. And it was just like old times. I am so heart broken and in shock 😞 May she R.I.P 👤❤️😞 My love and 👤 goes out to her family at this time.
