One of the most special moments in my life as a teenager was having my birthday celebration in 1978 for the first time and my rejoicing heart attributed it to the Gochenour's thoughtfulness and to Tim who did not mind getting a blue cake and beside his a pink cake. My heart felt sadden on my own birthday, March 29th to find out that two beautiful lives had left this world. I know, however that God has them in His promised mansions. May God give you the peace that Tim had a great heart and loved his family! Betty

Timothy David Gochenour:As the current Benison family living elder to the living Gochenour family we offer our sincere empathy for the loss of a life in our extended family, Tim Gochenour. The Circle C Youth Ranch extended family connected us to all together as brothers and sisters into one family. This spiritual bond began at the Royal Palm Elementary School Church, 55 years ago.Years later, I remember giving young Tim leg ups on horses that his boots could not even reach the shortest stirrup adjustment and became a great horse riding Cowboy, with time.Years later, this spiritual bond reconnected at an Aviation Company in Miami, and Tim could troubleshoot and repair aircraft just like he could ride a horse. Great, but moved on.To all of your extended family members, Happy Trails until We Spiritual meet Again.The Benison family may not physically be able to attend the Tim Gochenour burial, however our family spirits are all going to be there.
