# PAULA NAAMAN

JAN 23, 1965 - FEB 7, 2018

**N**aaman, Paula, of Miami Florida passed away peacefully at the age of 53 in her family home on February 7, 2018. Born on January 23, 1965 at Mercy Hospital to Fred and Patricia (Barry) Naaman, Paula came into this world a "blue baby" with congenital heart defects and a very poor prognosis, neither of which ever stopped her from not only living life to the fullest, but also encouraging others with her fearlessness, unbreakable spirit, and unbelievable positive attitude.

After graduating from Miami Killian high school, Paula went on to get her RNBS at FIU: becoming a nurse gave Paula one more outlet for her kind, nurturing nature.

Traveling was one of Paula's top priorities. In Paula's eyes, the world, as vast as it is, was just a small neighborhood of people from all walks of life to meet and sometimes share life-long friendships with. Paula loved and cared for all.

Paula's determination to live life to the fullest was only topped by her dedication to family. She always found a way to attend every birthday, graduation, wedding, etc., neither distance nor inconvenience could stop her. To Paula, family was life.

In lieu of flowers, the family requests donations to be made to The Pediatric Congenital Heart Association.

She was a fighter. She did thing on her own terms. I think my dad liked that about her, a kindred spirit so to speak... and I do too. We always looked forward to seeing her (and you) on the trips to Cape Cod to see my mom..I'm going to miss her and will continue to pray for her and the family. Love you all.

Ah, Paula, this is Julie Fernandez. I am Best Friends with Elizabeth, that lived next door to you all. I remember Paula as being such a sweet and caring soul. I babysat her when she was around 6 or 7. ( easiest job I ever had ) She was so sweet and good., laughing all the time. I ran into her on the Metro years back. I was so happy to here she was a nurse. Still laughing and smiling that beautiful smile. I am so so sorry to hear of her passing. A person could not help . But, to fall in love with Paula. I was truly blessed to have known her. Take care of yourselves. I hope good memories will help in some way at this time. My sincere condolences.

Paula and I were college roommates and we continued to be good friends. Paula tried to come to all my art shows and would drive hours just to come say hi and then turn around and drive back. She never missed a birthday, anniversary or any other event in our lives. It was a privilege to be her friend and I will have fond memories to carry with me. EST wishes to all of her family.
