I have found this very late but want to say that my years at Burnside-Ott Aviation Training Center with "The Chief" & Mitzi were the best in my life. After moving on, we remained friends and I was never in South Florida that I didn't see them. We had some wonderful dinners together. Don was Chief Pilot at Embry-Riddle at Tamiami Airport when I was there and he hired me when BATC was formed. Those were wonderful years. I love them both more than I can find the words to express.
