William E. Bradley

MAY 12, 1952 - APR 22, 2019

George Francis posted:

You were my mentor, my friend, My Mr. Myagi in life... You were a better father figure than my own father. I owe you many of my abilities, I will always hold on to the words of wisdom. I was blessed to have you impart on me. I will miss the hours of conversation fill with magical conversations. Thank you for making me look at life through the eyes of a child again. Your humble Danielsan...
