Tilo Aunty was like a pillar to us while we were in the US. She assisted us through good and bad times and gave us support just like a mother. We are truly saddened by her loss but we all have a journey and leaving life behind is an honor. May the love of those around you help you all through the days ahead.....Our heartfelt condolences go out to Raja, Ranjan, Mika and family. Rajeev, Sanjeev, Shalini, Sadhana Misra and family

My memories of "Miami Aai", yes thats how I called, her was through my Aai. Lovely pictures of both the sisters and stories of their childhood. I happened to first talk to her when I landed in US in 2002. Ohh it never left I had not seen her since when I was a little kid.. She was just like my aai and so loving and friendly. I cannot forget her face and the person I met in Dec 2002 in Miami. She was a fantastic women and a grandmother coming out vividly when I met her. She had so much love to give us in the few hours I was with her. She had left her imprint and her pure and selfless love in my mind for ever which I realized later..Today as she is with Aja in heaven and will only be in our memories for ever, I pray for her soul to rest in peace...
