It's been 8 years since you left me. I can't believe how time flies. I have no place to pay my respects to you so I decided to leave you this message. I hope you are in heaven living in eternal peace. I know you couldn't do so on this earth and I hope you have rested and put all of that gave you turmoil in the past. I'm sorry you couldn't ever please them and I wish I would have told you to forget them. I pray you are now at peace and free like the wind. My dear husband, my best friend, i wish I could have done something to stop this tragedy. But the pain was there since you were born. I'm sorry you had to deal with such abuse. I love you and hope you are happy. I hope you are living free like the wind. I love you. 8 years feels like yesterday. It will always sting that bad. Love your "muffin"

Thinking of you, daily!

Dear Ken and Diane,I was passing a little time this AM checking to see if any of the old outfits I once worked for in Miami were still around, AK Roofing being one (I still have fond memories of working with and for the Gault's), and I stumbled across the obituary for Kenneth the III. I know there are no words that will ease the pain of your loss but I would like you to know that the two of you, and the extended Gault family, are in my thoughts and prayers.Marshall

One year ago today we were told of your decision to leave us. It has been a brutal year, but thanks to our Lord, Jesus Christ, he has found a way to pull us through. I can only say that your wife struggled through your loss, she was too young to loose you. I have not stop thinking about the why's, if's or what not's. I wish we had answers. Your father in law has been working so hard to understand as well and to organize everything, help out with the downs of this family. You were so loved by us, wish you could have felt it. We will never forget you, even as our lives go back to a new normal..you will always be in our hearts, until we meet again. We love you Kenni, always! Many prayers are sent your ways, although, I know you don't need them, so send us your prayers, boy do we need them. :)

My dear, sweet baby boy, Words cannot begin to express the pain Dad and I are feeling. You have left an enormous hole in our hearts. We love and miss you so much. I have no doubt that you are in the hands of God now, and finally at peace. I would give anything to have helped you find it here on earth. There are so many precious memories of you, close to my heart, from the moment you were born. You were such a sweet and loving child with a heart of gold. I was the envy of a lot of Moms! You grew into just as good hearted young man. Anyone who really knew you, loved you. I look forward to seeing you again with our Father. Your ever loving mother

I am so deeply sorry for your loss. I was Ken's customer in 2007. Before that, I met your husband in 1999 when he and your son repaired the roof on my newly-purchased home at the time. I tried contacting Ken recently. I was shocked to find out that he died. I agree with you. Although I only knew him as a customer, it struck me how honest, hard-working and peaceful he always was. I could tell that he really cared about doing a good job. I remember that I got the same impression from his father and I could tell that they shared many traits. I only wish there were more people like that in the world. After hurricane Wilma tore a hole in the roof over my son's bedroom, Ken and his crew replaced the entire roof of my home. To this day, it has not leaked once. I know that one day you will see your son again in heaven. May God bless you and your family always, and may the Lord bring you peace. Eusebio G Hernandez

I know we didn't speak nearly as often as we could/should have, but I hope you know how much I Loved and Respected you. I don't think in life you realized how many people you would affect in death. We will do our best to take care of Kristi for you.....til we see you again on the other side.....Rest Peacefully My Friend.....Julie Todd

My dear Kenni, how we are all missing you. Your spirit is with God and what better place to be. God called you back because he needed you to be one of his angels. You were a great man, an excellent husband, a wonderful son, a beautiful friend. You were always hiding your inner child, but when you let him out it was a wonderful place to be. I love you, always have, and always will remember your inner child. God keep you in His glory! I miss you! your mother in law, Luz Maria Ibanez,
