Back a few years ago, Lou and Marina were visiting Sabrina and John from Plant City, Florida, and Lou was out in the yard with their little dogs. I live down the street and at the time there was a sales trailer for our neighborhood next door to me. I was out cutting lilacs from the lilac bush next to the trailer, not in my own yard, and Lou saw me and waved. Later Sabrina told me that when he went back inside, he told her what I was doing and said "news at eleven." I loved his sense of humor and how much he loved to laugh.
