Constantino Figueroa

AUG 19, 1958 - FEB 21, 2020

Contantino Figueroa was born August 19, 1958 in Mos, Pontevedra, Spain. He had many great memories of growing up on the farm. Many shenanigans ensued amongst friends and family. His first big adventure was leaving Spain when he was 18 years old to begin working on the cruise lines.

His next big adventure was marrying Sue Figueroa on November 18, 1983. The usual life activities ensued –starting his own business with friends, children, daughter-in-law and grandchild. He was very involved with Boy Scouts, his church and his Spaniards, Everyone in his path enjoyed his passionate personality and, of course his delightful cooking.

Tino is survived by his loving wife, Sue; sons, Daniel, from Miami, David (Stephanie), from Tennessee; his precious grandson, Adamas, from Tennessee; his mother, Ascuncion, from Spain; brother, Ricardo (Nieves), from Spain; and beloved niece and nephews from Spain. He is also survived by sister-in-laws Ann Russell and Carol Briney, from Michigan, as well as many nieces and nephews from Michigan to North Carolina.

He is preceded in death by his loving father, Ricardo Figueroa, and his sister, Ascuncion, both from Spain.

Tino was larger than life with a smile as big as the outdoors. He will be missed by all.

Tino was one of the warmest, most generous people I have ever met. He had a happy nature and a kind heart. Tino would always light up the room with his infectious smile and his love for life. Some of my fondest memories with Tino are from the time I spent learning from him in the kitchen or at the grill. Tino relished cooking for his loved ones. If Tino was cooking, Tino was happy (he always made it look easy). I believe he put his heart and soul into his food - when you tasted it you could tell! Although I've only known him for few short years, I really feel that I made a good friend. As I say goodbye, I am reminded of a quote from my childhood - "How lucky I am to have something that makes saying goodbye so hard." I would bet that everyone who knew Tino feels the same... I love Tino and I will sorely miss him. Farewell my friend and godspeed in your new journey.

This is certainly a great loss and, most definitely, much too soon. Although I didn't know Tino well, I will never forget his jovial demeanor and easy smile. He never seemed to be in a rush, and was always willing to teach this customer something new, as I am one to ask MANY questions about HVAC, etc. My most sincere condolences to his immediate family, as well as the HI-Tech family. He will be sorely missed.

I only visited with Tino a couple times through his sister-in-law Ann. Tino was a confident, outspoken gentleman who obviously was very much a family man; was crazy about his little grandson Amadeus. So glad I got to know you a little bit. Rest in forever peace. From Lynne in Michigan

Tino is an amazing guy. Always lit the room whenever he talked about something. Very passionate and all and all a very loving person. It's a tragic loss for everyone.
