I am married to Guerry's brother. I was blessed to call him my brother. We had a wonderful relationship. Guerry and I would set and have deep talks about life, to me always bringing it back to how much Jesus loved him. We had the best talks. I constantly prayed for him over the years and I have no doubt he is now in heaven with Jesus. Since his death I have had the blessing of God showing me in my dreams at night that guerry is in heaven. In my dreams he had a supernatural peace over him, a peace that is so different from any peace on anyone on earth, he had a smile and joy that just radiated from him. He was standing in bright light , green green grass and the most beautiful green tree beside him. I miss guerry so much but I have a peace and a joy that he is finally truly happy and experiencing love like no other. I'm looking forward to the day I will see him again, until then I will hold our special memories in my ❤️! God bless you guerry You are home 🕊️🌈🙏
