Dear Ogie and children, Gil and I share your lost. I hope with our prayers and the pleasant memories of Lorna will ease some of the pain and knowing she has gone to a better place where all of us would like to go when it will be our time to go. . .The last time I saw Lorna she was only 12 or 13 years old. We were stationed at Subic Bay. We had a plan to adopt her and Daisy to take them back to the US. But my brother change his mind. We were very disappointed. Then I saw her again 1984. I think she was already married then. She is a very intelligent girl and we love her. Our deepest condolence, Gil, Caring and family

Ate Lorna, Rest In Peace. We may have lost connection this past years but you're still one of us who ventured here in the US years ago and we survived supporting each other like family. You are a real hero in this profession that we chose. Your husband, children and grandchildren must be very proud of you ..Be with the Lord now and have peace. Prayers for you and the family you left behind....Robin and Ethel Ventayen with Rusty's list family.
