Frank was my uncle, my mom's youngest brother. Growing up in Philadelphia Frank introduced me to science and nature as a child. He bought me my first bird on my 10th birthday. Throughout my life we shared our love of raising exotic birds, ant farms, medicine and most of the sciences. He was a model uncle. He taught me how to be a guiding uncle to my nieces and nephews. I was blessed to spend time with him in the Everglades before he became ill. He shared his journey privately with me. I was grateful having been a guest on his journey. He leaves memories I will forever be grateful for. I carry him with me through my life. Ron spinelli

So very sad to hear of the passing of Dr. Spinelli. I first met him as my dentist, then as a friend and fellow Rotarian in Homestead. He was a kind, gentle & witty man. I never knew him without a smile on his face.

Dr. Frank was a big part of our family at Bass Pro Shops, he was always kind and we will miss him. One of Dr. Frank's favorite subjects was his wife, the love he had for her was admirable, many of the guys here at the store would say they hope to find a love like theirs. We were speechless when we learned of his passing, many of us still are. We are lucky to have known him.- Bass Pro Miami

Dr. Spinelli was my dentist from 1974 until his retirement. He was a kind and gracious man. I will always be grateful for his compassionate care and smile. He was able to treat my daughter after she had a traumatic experience with a pediatric dentist. She always enjoyed seeing him and trusted him completely. My deepest condolences to his family. Sincerely, Donna Walker

Frank was one of the best men I have ever met in my life. I have a hard time believing anyone, anywhere, anytime, would ever have a bad word to say about him. The world was a better place with Frank as a part of it. Carl Hanson
