John Worrell posted:

Heartfelt condolences to the LaFont family and his many friends. I worked with Manny at Igloo for many years and we have stayed in touch during his time in Miami. We were shocked and extremely saddened by this tragedy that took him away much too early. I will always remember his quick smile and sense of humor, but more importantly he was a good and gentle man who cared greatly about his friends and family. He will be missed and remembered by all whose lives he touched. Sincerely, John & Dee Worrell

There are very few individuals I know that have as big a family as you do. To say you had a heart of gold, well gold is just a precious enough to describe your heart and your being. Your up there playing ball with Janse and the other coaches and loved ones that went before you. And we know your waiting to dance a jig when we all cross over and meet again for the Ultimate class reunion. El mundo sabrá que tu vida significó mucho. Hasta que nos volvamos a encontrar querido hermano. Mucho amor y admiración. Scott y Regina Davis Familia
