# MELISSA ANN HOOVER

AUG 25, 1987 - AUG 9, 2021

**M**elissa Ann Hoover of Boca Raton and Miami passed away on August 9th, 2021, and her soul is certainly now in joyful residence in the Higher Dimensions of Divine Reality that we call “Heaven”. We are strengthened by that, and we will always treasure our memories of her because she is unforgettable. Melissa’s eternal soul lives on.

She was born in Lake Worth, Florida, August 25th, 1987. Melissa graduated from Spanish River High School in Boca Raton, and also attended Florida State University.

Melissa is survived by her father, Steven Hoover, her sister Christina Sinclair, and by many deeply loving relatives and friends who knew her as a brilliant, beautiful, and spiritually advanced Child of God.

A Memorial Service will be held on Saturday, August 21st, from noon to 2PM at the Van Orsdel Funeral Chapel, 4600 SW 8th Street, Coral Gables, Florida. The gathering is open to all of Melissa’s extended family members and her wonderful friends.

We are open to personal statements from those who attend and wish to contribute their remembrance about Melissa at the time of the gathering. Please contact a family member at the Home on the scheduled day for coordination. No casket will be at the service.

Everything about Melissa was superior, excellent, unique, truly special, and fun. If I wanted to brag about myself, I would claim that I was as intelligent as her. If I wanted to plan how I would respond to a particular difficult situation, I would ask myself, "How would Melissa handle this?" I will meet Melissa again, and I hope that you will as well. She will be an Angel, her body will be made of radiant, expansive and interpenetrating Light, and she will tell me about how fantastic her new friends, and her divine existence has been since she left us here in our ordinary Reality. She will be as extraordinary THERE as she was here in SpaceTime. Shine on, Melissa. Your Uncle Frank will be seeing you when it is time for him to enjoy being in the same environment, in your presence again. Send me some good vibes until then. Love you always.

Certain things in life alter us in ways that can't be undone. Melissa your life was such a bright warmth to me. You're a piece of my heart that I can't get back. Your smile lit up the room and you helped me fight. Baby sisters should never gain their angel wings before their older siblings. I promise I loved you yesterday, tomorrow and always

Too soon, too soon you are gone from us. Your gentle smile. Your quiet mannerism was who you were. In heaven above loved ones gone before are welcoming you into their loving arms. Too soon, too soon you are gone from us. Just know sweet child you shall be missed more than words can say. We love you Melissa. Uncle Mike & Aunt Linda
