I am deeply saddened and heartbroken. It feels like something got ripped out of my chest, so abruptly, so too soon. Im in disbelief. I loved Anthony's presence and essence as a friend, as a business partner and a bright joyous big big soul. He was the kind of a friend that always said YES when I was in need of any advice..We will see you again, Anthony, on a different playground, in a different timeline. We shall meet, again, buddy and get philosophical about life, like you always did so effortlessly and so profoundly. I will miss you so much, my friend.Dearest Carmel, and family, I am sending you my condolences and love and may you find peace and strength in your hearts in this painful moment..

Dearest, nearest friends, my heart simply breaks and cries for you. Anthony was such a wonderful and loving little boy who grew up into a superb young man. He was always so attentive to his womenfolk - me included. My life has been enriched by having known him: a young toddler who grew up to be so, so nice - in neon lights. May you be comforted by those nearby - I in turn shall hug you from afar. Deepest love, Marianne.
