Eduardo, how much I am going to miss you. My heart is broken and I can't believe I won't ever see you walk into my office again, but in my heart I know that you're eating a big Oreo cake in Heaven right now. You always had a smile on your face and the most positive attitude, always able to turn anybody's day around. There are far too many jokes and stories that we shared to list here, ju know what I mean jellybean?? But I will always hold those memories close to my heart. Te quiero siempre y siempre estaras en mi corazon!

Eduardo, Como te quiero chico!! Mi amigo. siempre serás el mejor de los mejores. You were always there, you know what I mean, to lend a helping and loving hand. Always willing to lend an ear, always happy to be part of our team, our family. I will always remember our jokes, our beautiful memories of morning cafecito, updates of what we had for the day, and talking about Cuba and Minneapolis. Eduardo I will never forget running services to church, working at the cemetery together, and those little lunches you always shared with me that you said you didn't like very much but we always ate them with a smile. You were always the sweetest, thank you so much for the great hot chocolate you gave me last Christmas, it was so yummy! Thank you for singing songs to me, thank you for showing me poetry of our country, Cuba, and showing me la letra de la copa Rota. Un abrazo fuerte, May you rest in paradise and amigo, some day, we will meet again and be able to ask each other: "Cuentame, como te ha ido, si has conocido la felicidad?! Cuentame, como te va, yo por aqui muy bien y tu por alla, que bola!!!" :heart::heart: my heart breaks knowing I can't have another cafe with you but I will remember you every time amigo. :heart::heart:

Eduardo was a wonderful part of our team at Van Orsdel. He was always very service oriented and offering to help in anyway possible. He put the families first and gave them his best. We are saddened to see him gone so soon, but will remember him fondly.
